The plans shall include a letter or notation with the statement (as noted below) on the plan submission, under the seal of the engineer, pertaining to the structural aspects of the proposed construction Maximum Hard Copy Size of 11" x 17" (seal to be current within 1 year of application)	Status of Title (current within 30 days of application) <input type="checkbox"/> Residential Plan Review Fee payable by debit, cheque or cash (Please refer to fee schedule) <input type="checkbox"/>
--	--

"I have examined the full structural design of this building plan, including all load transfers from roof to foundation, and all supplier drawings of engineered products. I hereby certify that the structural components of this plan in respect of the materials and methods to be used, and the work to be done, as indicated on the building plans, meet all applicable codes and by-laws. Nothing herein indicates or implies that I have, or will be making, a field inspection."

NOTE: The following additional sentence, or an equivalent sentence, shall be provided where the above statement is contained in a letter or is placed on only one of the drawings: "This declaration applies to pages ___ to ___ inclusive in this set of plans."

**Please refer to brochure for additional information*
