RRPD BUILDERS BULLETIN

BUILDERS INFORMATION WEBINAR ISSUES & CONCERNS OVERVIEW JANUARY 28, 2022

2021 HIGHLIGHTS

- Implementation of Cloudpermit
- Expansion of the Development Services Team
- Record permit and inspection volumes

WHAT WE HEARD

- Improve communication
- Improve consistency and interpretation of By-laws and Codes
- Reduce permit processing times
- Streamline Lot Grade approvals
- Improve consistency in inspections

WHAT WE ARE DOING

- Education Sessions and webinars to increase communication
- Increased Builders Bulletins
- Staff increase to assist in decreasing wait times
- Cloudpermit education sessions
- Certified Professional Submission (CPP) program reevaluation
- Improving internal and external communication

WHAT YOU CAN DO

- Ensure all plans are complete, legible and to scale.
- Status of Title documents are required to be current within 30 days of submission.
- Plan ahead, peak building season gets busy, get your permit application in early!
- Check Cloudpermit for your permit status and any updates.
100% Transparent – 24 hours a day – 7 days a week.
- Know your ZONE! Staff are available to assist with any zoning information, to keep your submission inline with requirements.
- Stay Connected!

Should you have any inquiries, we encourage you to contact the RRPD at 204-482-2959 or krystal@rrpd.ca
