

## EXAMPLE SITE PLAN FOR SINGLE FAMILY DWELLING

### SITE PLAN REQUIREMENTS:

- ☐ **Dwelling location**  
Distance from each property line to each side of the proposed structure
- ☐ **Projections**  
All projections are required to be detailed on the proposed site plan (this would include cantilevers, eaves, decks, steps, canopy, architectural features, etc...)
- ☐ **Septic Tank location and distance to closest point of adjacent structure**
- ☐ **Driveway location and width**
- ☐ **Parking spaces**
- ☐ **Street Name(s)**
- ☐ **Civic Address**
- ☐ **North Arrow**
- ☐ **Property Dimensions**
- ☐ Any existing structures on the site should be included with dimensions
