To Whom It May Concern,

Subject: Letter of Intent to Open a Licensed Home Daycare

I am writing to formally express my intent to open a licensed home daycare facility at my residence, located at 16 River Trail Drive, West Saint Paul, Manitoba, R4A0C1. The daycare will operate under the name Little Footprints Daycare and will provide care for up to twelve (12) children, in accordance with local and province licensing requirements.

*The daycare program operating during weekdays Monday - Friday from 7:30am*  
The primary goal of this daycare is to offer a safe, nurturing, and educational environment for children ranging from 12 months up to 12 years. I am committed to promoting the social, emotional, and cognitive development of each child in my care through structured routines, creative play, and age-appropriate learning activities.

The daycare will be staffed by myself as the primary provider and one additional qualified employee. Both caregivers will meet or exceed the state-mandated qualifications and training in areas such as CPR/First Aid, child development, and health and safety protocols.

The home is equipped with appropriate space, facilities, and resources to support a safe and engaging environment for young children. All local zoning, fire safety, and health department regulations will be followed to ensure compliance and the highest standards of care.

Please consider this letter as an official notification of my intent to begin the licensing and approval process for operating a home daycare. I welcome any inspections or further documentation required to move forward and ensure compliance with all applicable regulations.

Thank you for your time and consideration. I look forward to contributing to the well-being of families in our community by providing reliable and high-quality childcare services.

Sincerely,  
Jasdeep Kaur Bajaj
