OPTIONS FOR COUNCIL'S CONSIDERATION

Under section 97(1) of *the Planning Act*, on completion of the public hearing, Council may:

- (a) reject the requested variance; or
- (b) varying the application of specific provisions of the zoning by-law with regard to the affected property in the manner specified in the order if the variance
 - (i) will be compatible with the general nature of the surrounding area,
 - (ii) will not be detrimental to the health or general welfare of people living or working in the surrounding area, or negatively affect other properties or potential development in the surrounding area,
 - (iii) is the minimum modification of a zoning by-law required to relieve the injurious affect of the zoning by-law on the applicant's property, and
 - (iv) is generally consistent with the applicable provisions of the development plan by-law, the zoning by-law and any secondary plan by-law.

RECOMMENDED CONDITIONS OF APPROVAL

Should Council approve the requested zoning variances, the following conditions are recommended:

1. This variance is limited to what has been presented in this application. Any further changes, replacement or additions that are not in substantial conformance with the application would require a new approval.
2. Applicant / owner obtains all required permits from the Red River Planning District and the municipality, if required.
